How to Self-Marshall

Assisted Self Marshalling Help Guide

Self-marshalling will be in place for this event.

Swimmers will enter the pool deck self-marshalling area located behind the starters blocks and behind the metal fence barriers surrounding pool deck.

Swimmers will only be permitted in the self-marshalling area on pool deck to self-marshall a certain number of races prior to theirs, as follows:

50m, 100m, 200m events	Three (3) heats prior to the heat in the water
400m events	Two (2) heats prior to the heat in the water
800m and 1500m events	One (1) heat prior to the heat in the water

To self-marshall, swimmers follow the below steps:

1. Enter pool deck according to the heats prior table above
2. Proceed to the lane they are allocated
3. Move progressively forward, with the other swimmers in their heat

During the event, swimmers can approach the Help Desk (if applicable for the competition) for assistance as required or ask their club team manager or coach.

To assist in this process, we recommend swimmers arrive to the event prepared with the following information they will need for self-marshalling:

- Event number/s
- Heat number/s
- Lane number/s

It is also a good idea for swimmers to write all event/heat/lane numbers on their arm, in that order.
